

### General Information on Abstracts, Graphical Abstracts, and Poster Submissions

For each submission, a short abstract must be provided to categorize the contribution. The abstract is intended solely for the evaluation of the submission. Guidelines for submitting your contribution and formatting requirements are provided below.

The graphical abstract represents your contribution for the pitch presentation on the first day of the conference. This slide will be presented by you during the event to promote your talk within 2 minutes.

For posters, please use the DIN A1 format and apply your own layout.

### Guidelines for Abstract Submission

- Language: English (preferred) or German
- Abstracts cannot be modified after submission.
- Acceptance/rejection of abstracts and their placement in the program will be decided by the scientific committee based on the review results.
- The scientific committee will not make any revisions or corrections.
- Accepted abstracts will be published in the online conference program, including title, authors, and related topic. By submitting an abstract, authors consent to the publication of their contribution.

### Abstract Formatting

- Include 3 to 8 keywords.
- Abstracts should follow this structure: Introduction, Methods, Results, Conclusion/Outlook.
- One table or figure may be included.
- Length: 1 page, DIN A4 format.
- Font: Times New Roman, 11 pt.
- Margins: Left/Right 2.4 cm; Top/Bottom 3 cm.
- Title: Maximum 15 words.
- Authors: First Name Last Name, Institution, optionally Country and Contact Information. Co-authors should follow the same format.
